

TANGO by Case Systems

Feel the Beauty. Enjoy the Value.

NEW!

Our new **TANGO Series** of colors joins together the natural beauty of wood and the durability of a laminate that is thermally fused to a robust core. Woodgrain colors are complemented with neutral solids for a wide range of contemporary design options. Available embossed textured surfaces are natural to the touch.

The **TANGO Series** offers the authentic look and feel of wood designers desire and the benefits and value of thermofused laminates:

- **Non-Porous, Robust Durability Superior to most Wood Veneers**
- **Flawless Color Matching with Edgeband and High-Pressure Laminates**
- **Your Budget Goes Further Thanks to its Lower Cost**
- **Ease of Maintenance and Cleaning**
- **ULEF & FSC® (FSC-C004892) Products Available**

Need to stick to a budget, but want the look of real wood? The **TANGO Series** gives you the freedom to design environments in contemporary aesthetics that feature the grain and texture of wood, combined with the durability, ease, and value of a thermally fused laminate – with 20 woodgrain and solid colors to choose from.

The **TANGO Series** makes your projects stand out with a high-end look, matching interior finishes to your HPL exterior colors. Enjoy a quick turn-around on your projects as the **TANGO Series** is a standard offering for all Case Systems products.

Contact your Case Systems representative today to learn more about the **TANGO Series**! Visit casesystems.com to find your Case Systems dealer, order samples, and download our 3-part specification.
